Classes

Part of the ranch experience is learning together. One component of that is workshops or classes ***taught by the participants*** on various subjects. All attendees participate either as teachers or students, and the hope is that at least one member from each family teaches one class with either 4 hours of content (2 hrs/day for 2 days) or 2 hours of content (2 hours for 1 day). Write a family member's name on the lines next to the classes you would be able to teach. You don't need to be an expert. Part of the fun is trying new things. If the class you would like to teach isn't listed below, write it in an "Other" spot.
